COMMUNICATION

A partnership between home and school is an integral part of your child's education. Please do not hesitate to get in touch with me if you have any questions or concerns.

We can stay in touch through:

- student agenda - please read and initial daily
- phone calls
- emails
- monthly school newsletter
- notices
- report cards
- parent/teacher meetings

I am so excited to be your child's teacher and I am looking forward to sharing wonderful experiences with your child in the Grade Three/Four classroom! Thank you in advance for your support throughout the year.

EXPECTATIONS FOR LEARNING SUCCESS

To help ensure each student is given the opportunity to learn in a safe environment, which nurtures each individual's personal, social and academic growth, students are asked to meet the following expectations:

- Produce quality work while completing classwork
- interact positively, resolve conflicts appropriately and accept responsibility for own actions
- Arrive on time and be prepared for class
- Follow instructions/directions/rules and routines
- Respect school property and the property of others
- Work collaboratively and independently while using time efficiently

ASSESSMENT

Assessment takes place on a daily basis and is a key part of the learning/teaching process. Ongoing assessment of student learning informs students about what they have learned and what they have not yet learned.

Students will be provided with a variety of opportunities and ways to demonstrate their learning and understanding in relation to the curriculum (learning outcomes) for the subject/course. Student learning will be assessed using:

- Conversations with students
- Observations of learning
- Products students create to show their learning throughout the process

Report cards are provided to students/parents three times a year communicating student learning and development of social skills and work habits.
