

**Debert Elementary**  
**Physical Education Communication Plan 2023-2024**

Mr. Myatt

**Program Overview**

Building physical literacy in students, from a wide range of diverse experiences in different types of physical activities. These various activities will provide students with opportunities to understand the connections between: health-related fitness, movement skills, decision-making and relationships.

- Active for Life
- Lifeskills
- Skill and Movement Concepts

**Assessment and Evaluation Strategies for Student Learning**

Assessment takes place on a daily basis and is a key part of the learning/teaching process. Ongoing assessment of student learning informs students about what they have learned and what they have not yet learned.

Students will be provided with a variety of opportunities and ways to demonstrate their learning and understanding in relation to the curriculum (learning outcomes) for the subject/course. Student learning will be assessed using:

- Conversations with students
- Observations of learning
- Checklists -Communication
- Observed level of participation
- Products students create to show their learning throughout the process

Assessments are on-going throughout the year and are based on curriculum outcomes. This information is used to evaluate students and report on levels of achievement as indicated on the report card.

**Report Cards:**

Report cards are provided to students/parents three times a year communicating student learning and development of social skills and work habits.

**Expectations for Learning Success**

Students are expected to:

- Come to class prepared: proper footwear and clothing for movement..
- Show positive personal and social behaviors, good sportsmanship and fair play.
- Demonstrate an awareness of safe play.
- Participate in a variety of activities that develop and maintain personal physical fitness.
- Demonstrate a positive attitude and an appreciation of physical activity through participation.

**Communication**
